Dear Debbi:

Have you ever thought about the true impact of your generous donation? How your contribution makes a difference? Through the Audacious Divas Celtic Pink Ribbon CD sales, and the \$1,500 raised for the PA Breast Cancer Coalition, you have encouraged thousands of breast cancer survivors who rely on our free programs and services each and every day. Specifically, your donation benefited our **Friends Like Me** care package program, where any newly diagnosed woman in Pennsylvania can receive the resources and information that help at a time when they need it most, absolutely free. Please know that your donation does make a difference!

From all of us at the PA Breast Cancer Coalition, thank you for making breast cancer survivors feel like they are not alone on this journey. The truth is the effect that your dollars have made is immeasurable. We are honored to be working with you at Audacious Divas toward our passionate mission of “**finding a cure now ... so our daughters won't have to.**” Thank you for believing in that mission, and choosing to partner with us to help make a difference in the lives of others and help find a cure.

Sincerely,

Jennifer Pensinger  
Executive Director

PS-Save the Date: Our annual Pink Party, Presented by Penn State Hershey Breast Center, to honor and celebrate Grassroots Partners will be held on **October 4, 2015** at the Harrisburg Hilton. We hope to see you there!
